Group Hospital Insurance

How does it work?

Group Hospital Insurance helps covered employees and their families cope with the financial impacts of a hospitalization. You can receive benefits when you're admitted to the hospital for a covered accident, illness or childbirth.

Why is this coverage so valuable?

- The money is payable directly to you — not to a hospital or care provider. The money can also help you pay the out-of-pocket expenses your medical plan may not cover, such as co-insurance, co-pays and deductibles.
- You get accessible rates when you buy this coverage at work.
- The cost is conveniently deducted from your paycheck.
- The benefits in this plan are compatible with a Health Savings Account (HSA).
- You may take the coverage with you if you leave the company or retire. You'll be billed directly.
