**Meeting Patient and Member Needs:**

Because of the nature of the services we provide, holiday closure may differ at some locations, and some employees may be required to work on a designated holiday.

**If Your Location is Open on a Holiday:** If you are required to work on a designated holiday, you should talk with your manager to ensure you have the opportunity to use your holiday hours at another time during the calendar year. If you are an hourly employee and work on a designated holiday, you will receive time and ½ for the hours worked.

All the hours in your 2024 holiday bank should be used by Tuesday, December 31.

Holiday bank hours do not carry over to the next year.
